

AAF Shibboleth Rollout Workshop

Oct & Nov 2008

When: October & November 2008

Where: Various locations

Web: <http://federation.org.au/rollout>

RSVP: 1 week before workshop to Bruc Liong (bliong@melcoe.mq.edu.au)

You are invited to **free** 2-day AAF Shibboleth Workshops in October/November. The workshops will provide technical information and guidance for participants to join the Shibboleth-based MAMS Testbed Federation and preparation for transition to the Australian Access Federation. The workshop will highlight tools and processes to help participants prepare for deploying Shibboleth for the AAF.

Locations and Dates	
October 13 - 14	Sydney, Macquarie University
October 16 - 17	Canberra, Australian National University
October 20 - 21	Queensland, University of Queensland
October 27 - 28	Perth, Curtin University
November 3 - 4	Adelaide, University of South Australia
November 13 - 14	Melbourne, Monash University

The first day of the workshop will describe high-level information on institutional requirements, policies and procedures for deploying Shibboleth, based on AAF Shibboleth policy, operational procedures, and the various tools/processes involved. The intended audience for the first day would be IT Directors, IT identity managers, various decision-makers in Higher Education institutions, Librarians, and individuals involved in providing services to education and research communities.

The second day of the workshop is a hands-on course in which the participants will be able to configure, setup, and manage a Shibboleth Identity Provider and Service Provider. Advanced topics are further discussed in the latter part of this workshop. The intended audience for the 2nd day are IT identity managers, technical architects and developers at HE institutions.

If you know a colleague that would like to attend, please forward this message and ask him/her to register (limited seats available).

Hope to see you soon on the workshop.

Cheers,

Bruc Liong
